

Thank You

Dear LRPPG Friends & Neighbors,

Thank you for being a part of the community meetings focused on short and long-term planning for the Louis Robidoux Parkland and Pecan Grove (LRPPG)! The turnout and thoughtful comments that were conveyed during both meetings were incredibly positive and inspiring to all in attendance. As part of our in-progress master planning, we would like to encourage you to provide any additional thoughts or ideas via one of the three methods below:

- using [this link](#)
- sending via email or regular mail to any of the LRPPG partners listed at the bottom of this message
- dropping a note in the comment box attached to the property kiosk at the site entrance.

Please provide your comments by the end of the day on Friday, February 24th, to ensure that we are able to fully incorporate them into the Master Plan.

This additional information request is not your last opportunity to participate in the master planning effort. We are hosting another quarterly community event on Saturday, April 8th, from 10 AM - 1 PM at LRPPG (5370 Riverview Drive in Jurupa Valley) and have attached the flyer below. While the workshop is focused on spring bird migration, we'll also have an LRPPG partners table there. Stop by for Master Plan progress updates and additional information on our plans for draft Plan rollout, including the timeline for review and comments. We want to make sure we give community members and

stakeholders an advertised, formal opportunity to comment on the draft plan to make sure we've accurately captured feedback and priorities – and the opportunity to directly engage with us if you feel we have forgotten something critical! While the timeline isn't final, we anticipate a draft plan available for review at our September 2023 quarterly community workshop.

Going forward, we remain committed to restoring the function and magic of the LRPPG property in coordination with community needs and priorities. We pledge to continue working with all of you to ensure its legacy long into the future.

Thank you again for your passion and commitment to the LRPPG! In partnership,

The Louis Robidoux Parkland & Pecan Grove Consortium

WINGS *of* SPRING

ALL ABOUT SPRING MIGRATION

Join us at LRPPG from 10 AM to 1 PM to learn about local bird species and meet LRPPG partners to get updates on the Master Plan progress. Contribute your ideas for a 2023 calendar of events out at the site!
